**Executive's Message**

It is with great pleasure to announce the successful advancements of our construction project. The project is culminating into a great success and we are looking forward to a busy and eventful summer of 2013. Soccer season is fast approaching and we are excited to see what this year has to offer. Our facility on Green Mountain Road will be fully functional for all outdoor events this season and we look forward to seeing everyone out in full support during this crucial time in Hamilton Croatia history.

**Upcoming Events**

Dan Drzavnosti/Big Croatia Day Picnic is scheduled for Sunday, May 26<sup>th</sup>, 2013. Last years picnic was the biggest one to date, bring your entire family for a great day of food, fun, soccer and dancing. This picnic will also be the first chance to get a sneak peak at the construction of our new building on Green Mountain Road. Membership information and donation packages may be submitted at the picnic.

Gala Fundraiser for the new construction project is Saturday June 8<sup>th</sup> at Holy Cross Parish Hall. The key note speaker for the evening will be Mayor Bob Bratina. This black tie affair will include dinner, cocktails, an open bar, musical entertainment, and a silent auction. For the music lovers out there you are in luck! Hamilton Croatia presents Cro\$tock an all day music festival featuring 13 bands from the GTA. Music begins at 11:00am and will go non-stop throughout the night. Cro\$tock will be held at Green Mountain Road and all proceeds go to the new construction project!

**What's New CONSTRUCTION!**

Construction is in full swing and projects are being completed as we speak. Up to this date we have completed the steel structure, enclosed the building, finished the roof, completed beautiful brick work, finished the outdoor picnic patio, and completed an elegant stucco enclosure for the patio.

We would like to take this time to thank all the volunteers and all the skilled labour that has been donated. Without you this wouldn't be a success!

**Fund Raising for the new Building:**

Now is the time for unified support and donations from the entire community. As we move towards completion of this project, funding is still required and needed. The success of the construction campaign lies in the hands of our community and the Croatian Sports and Community Centre is overjoyed with the progress to date.
